

Precision Machining

**HIGH PRECISION MACHINING
for Your Critical Component Applications**

ISO 9001:2015 CERTIFIED QUALITY

Serving Industries Including:

**Oil & Gas
Defense
Pumps / Compressors
Energy Markets**

Manufacturing Solutions. Total Integrity.

799 North Pike Road Cabot, PA 16023 - Phone: (724) 352-1551 Fax: (724) 353-1196 www.pennunited.com

Penn United's Machining Group specializes in high precision machining for critical-application components. We stand ready to become your premier source for challenging machining jobs.

- Experienced machinists
- State-of-the-art equipment
- Over 100,000 square feet of dedicated machining space
- Quality Assurance expertise (first article inspections, CMM capabilities, inspection reports)
- Multiple shifts

Penn United's Machining Group is part of Penn United Technologies, Inc. (www.PennUnited.com), whose employees provide customers with total "one stop" manufacturing services.

Specific information pertaining to Penn United's Production Machining Group:

Common materials machined:

**Most Stainless Steels, Monels,
Nitronics, Aluminum, Copper,
Brass, Inconel®, Carbon Steels,
MP35N, others**

Common components machined:

**Blowout Preventers (control system components),
Manifolds, Valve Components, Valve Bodies,
Stab Components, Choke Components,
Hydraulic Regulators, Pump/Compressor Components,
others**
