

THE NEW FACES OF *MODERN* MANUFACTURING

Name: Brittany Perdos
High School: Ford City High School
Job Title: Apprentice – Quality Technician

Coolerest thing about your job:

The coolerest thing about my job is being able to learn how to use new inspection equipment and computer programs used for inspections.

Hobbies:

My Hobbies are hunting, fishing, and finding any reason to spend time outdoors.

Career Goals:

My Career Goals include earning my Journeyman papers through my apprenticeship and retiring from Penn United in 30 years or less.

What did you want to be when you were a kid:

When I was a Kid, I wanted to be a Park Ranger. I even earned a Bachelor's Degree in Parks and Recreation before deciding to continue my career at Penn United, after working here in the summers during college.
