

THE NEW FACES OF *MODERN* MANUFACTURING

Name: Hunter Reamer

High School: Knoch High School/Butler ATVS

Job Title: Apprentice – Surface Grinder

Career Goals: My career goals are to learn and experience as much as I can to become the best I can be.

What did you want to be when you were a kid: When I was a kid I wanted to be in the military or be a gunsmith.

Hobbies: A hobby I have now is going to live shows/concerts of my favorite musical groups.

Coollest thing about your job: The coolest thing about my job is being able to make complex and unique parts.
