

THE NEW FACES OF *MODERN* MANUFACTURING

Name: Nick Gerboc

High School: Lenape Vo-Tech

Job Title: Apprentice - Machinist

Hobbies: In my spare time, I love to spend time with friends and family, travel, workout, hunt and rebuild engines.

Career Goals:

In the future, I want to continue my education in mechanical engineering and possibly a business management degree to one day become a team leader/manager or an engineer.

What did you want to be when you were a kid:

I knew from the start I wanted to become an engineer. Building with Lego's progressed to assembling engines with my dad and it just clicked.

Coolest thing about your job:

The thing I like most about my job is that I know I am making an impact on the lives of others for the better.
